ALABAMA STATE CONVENTION

Welcome to the Huntsville Hamfest and the inaugural issue of this program. You're invited to download this mobile friendly guide to help manage your busy weekend.

In addition to an excellent lineup of Forums and the ever-popular Youth Lounge, this year the Huntsville Hamfest is hosting the Alabama State Convention and we're happy to host the US Space & Rocket Center for their promotion of a packed summer of events commemorating the 50th Anniversary of the Apollo 11 moon landing.

Continuing a tradition, this will be the 34th year of awarding the Bill Pasternak Young Ham of the Year award on Saturday. Once again you'll find over 50 commercial vendors and 384 flea market tables all in the air-conditioned comfort of the South Hall.

We hope you enjoy your stay in Huntsville and visit to the Huntsville Hamfest.

73,
The Huntsville Hamfest Committee
